ADDENDUM TO LEASE

This ADDENDUM is made by and between _____ (“Landlord”) and _____ (“Tenant”), pursuant to that Lease dated _____ and concerning that certain unit more completely described located in _____ (“Association”) as:

Landlord and Tenant Agree to amend the above referenced Lease as follows:

1. All leases, lease renewals, or rental agreements must be in writing.
2. All leases, addendums, and lease renewals shall be on forms approved by Association.
3. The Association shall have the right to terminate the lease upon default by the owner and/or tenant and/or other occupant of the demised Property in observing any of the provisions of the declaration, including owner’s obligation to pay maintenance and or tenant’s obligation to make rental payments to Association upon owner’s default, the Articles and By-Laws of Association, applicable rules and regulations or other applicable provisions of any agreement, document or instrument governing the Association or administered by Association and to bring an action for tenant removal.
4. Leasing of Property shall be subject to the prior written approval of Association. Any and all proposed Lessees, including room-mates of the demised Property are subject to the prior written approval of the Association, in its sole discretion, and shall be subject to an application and screening process which may include, but is not limited to, credit, employment, and personal reference investigations. The Association shall be entitled to a reasonable fee, paid in advance for performing the screening process.
5. No lease, lease renewal or rental agreement shall be for a term of less than 12 months.
6. Any and all lease renewals must be approved by the Association prior to the anniversary of the lease. The Association shall have the right not to approve any lease renewal in its sole discretion.

7. Landlord and/or Tenant shall provide Association a security deposit in an amount not to exceed the equivalent of one month's rent to be deposited into an account maintained by Association as permitted by Florida Law. The security deposit shall protect against damages to the Common Elements or Association Property. A security deposit held by Association under this Section shall be governed by Chapter 83 of the Florida Statutes, as it may be renumbered from time to time.

8. If during the lease term the Landlord becomes delinquent in the payment of an assessment, and/or other charge of any nature kind or description due to the Association, the Landlord and Tenant agree and acknowledge that the Association shall have the authority to directly collect the rental payments from the Tenant. Such rental payments collected from tenant shall be collected and applied in accordance with the procedures established by the Board. Landlord and Tenant each agree that Tenant shall pay to the Association, and not to Landlord, all recurring installments of Rent owed to the Landlord under said lease upon Tenant's receipt of the Association's written demand for payment of Rent based on the delinquency of Landlord's obligations to pay assessments to the Association. Landlord agrees, for as long as Landlord remains delinquent in the payment of an assessment, that Tenant's payment of Rent under the lease to the Association shall not constitute nonpayment of Rent under the lease. The Landlord irrevocably appoints the Association, without recourse, as Landlord's agent and attorney-in-fact in Landlord's place and stead to collect from tenant each installment of Rent due Landlord under said Lease, for as long as Landlord remains delinquent in Landlord's obligation to pay assessments to the Association. Except for accounting to Landlord for each installment of Rent received by the Association from Tenant pursuant to these provisions, Association assumes no responsibility to owner and/or Tenant as "landlord" under said Lease and/or under Part II of Chapter 84, Florida Statutes, Landlord and Tenant acknowledge and agree that provision of this paragraph create only a facility of payment of Rent owed under the lease to Landlord to be paid directly by Tenant to the Association to be applied toward the Landlord's delinquent obligations to the Association to pay assessments to the Association. Landlord and Tenant each covenant and agree that they accept the Association's disclaimer of any responsibility as "landlord" to either party under said Lease and/or Part II of Chapter 83, F.S., and each party agrees to and does hereby indemnify and hold harmless the Association, including attorney's fees at all levels, for any claims arising out of said lease.

9. Landlord will be jointly and severally liable with the tenant to Association for any amount which is required by Association to effect repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant.

10. As a material inducement to the approval of this lease and lease Addendum by Association, Landlord agrees to repair and/or replace to the satisfaction of the Association any item which is Landlords responsibility under the terms of the Declaration and which is requested by Association prior to the commencement of the Lease and to submit the property to the Association for inspection. Landlord and Tenant agree that Tenant shall not be permitted to occupy the premises until Landlord complies with the terms of this provision. Further, Landlord agrees to maintain, repair and/or replace all items which are Landlords responsibility under the terms of the Declaration. If Landlord fails to maintain, repair and/or replace any item which is Landlords responsibility under the terms of the Declaration., the Association may, in its sole discretion, cure the failure of the Landlord and shall have the right to assess the Apartment Owner and the unit for the necessary sums to install, maintain, repair and/or replace said item. Landlord agrees and acknowledges that the Association shall have the right to claim a lien against the property for any and all unpaid assessments, including but not limited to assessments made pursuant to this provision..
